

## Gathering 2

Using the Gathering foot (optional foot), you can create soft gathers quickly.

Machine Settings:

Foot: Gathering Foot (optional foot)

Foot Pressure: 3

Needle Position: Center

Stitch Length: 3.0 or Longer

Thread Tension: 3.0 - 6.0 (Slightly tighter than normal)

Needle Thread: All-Purpose Thread

Bobbin Thread: All-Purpose Thread

1. Select the straight stitch. Set stitch length to at least 3.0, and thread tension between 3.0 - 6.0.
2. Place the edge of the fabric under the right side of the foot.
3. Sew on a single layer of fabric making sure to feed it in a straight line. Do not pull the fabric.

Tip:

- \* The amount of gather is determined by the weight of the fabric, stitch length and needle thread tension.
